Human Chemistry, Human Solutions

PASMO™

Outstandingly strengthened polyester PASMO™ provides high stability and comfort for every kind of sports activity.

Burst Strength

Tearing Strength

Abrasion Strength

Light Weight

Vivid

UV-resistance

TEIJIN FRONTIER CO., LTD.

TechnoForce®

Light weight/ High tenacity fabric

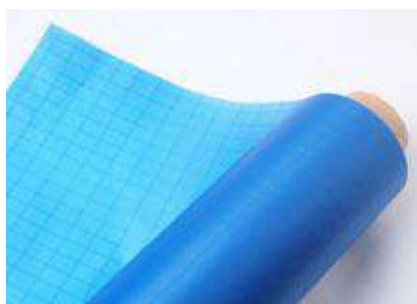

TechnoForce®, designed with high density structure using high tenacity polyester yarn with lightness, high tearing strength, and high endurance.

TechnoForce® Characteristics

- High Strength Special Polyester
- Dimensional Stability
- Light Weight (33g/m² – 480g/m²)

Product Lineup

Article	Width (inch)	Weight (g/m ²)	Breaking Strength (kg)	Permeability (cc/cm ² /sec)
T06016	40	35.4	36.8 x 32.4	0.02
T07017	40	41.4	40.0 x 38.8	0.02
T09968	59	50.1	53.9 x 47.3	0.02
